Myers: Pyotr Ivanovich Atyashev of Baku  
had won the 2nd USSR Correspondence  
Chess Championship (1952-55) with the  
undefeated score of 13/16 (but not the 3rd  
Championship--that was Borisenko and  
Dubinin in 1957). Avery says that this  
game is the first postal chess win by an  
American over a Soviet. Is this true? **1.e4**
