[FIDE player card](#) for Gyozo Victor Forintos

<Гроссмейстер Forintos был очень сильным игроком, но он был известен тем, что настроен очень оптимистично. Позвольте мне поделиться с вами одной знаменитой истории о нем. Его противник мог бы поставить Шах и мат в два, так Forintos - довольно развязно кто-то может подумать - предложил ничью. Его оппонент отказался, но пропустил вторую половинку и продолжал проигрывать. После игры венгерский гроссмейстер заметил: "в следующий раз я не должен быть таким пессимистом...">
