Советский шахматист Геннадий Зайчик добился почти таких же успехов, как и его коллеги с куда более грозными фамилиями - Александр и Игорь Зайцевы или Елена Зяц. Зайчик в 27 лет выполнил норму международного гроссмейстера, «наследил» во многих международных турнирах. Известен как хороший тренер.

**Best World Rank:** **#25** (on the [July 1985 rating list](#))

**Highest Rating:** **2688** on the [July 1985 rating list](#), #25 in world, [age 28y5m](#)

**Best Individual Performance:** **2704** in [Telavi, 1982](#), scoring 11/17 (65%) vs 2611-rated opposition

## Геннадий Зайчик

Грузинский гроссмейстер из славной генерации — Азмайпарашвили, Стуруа, Георгадзе. Его предки приехали из Одессы в Тбилиси, где его отец занимал высокие посты в Министерстве юстиции, а в конце жизни был председателем коллегии адвокатов Грузии. Он очень любил шахматы, и все

его шахматные устремления проявились в Гене. Семья Зайчиков всегда приглашала к себе гостей-гроссмейстеров, и банкеты у них дома во время Высших лиг 1966 и 1978 гг. вошли в легенду. Пребывая в Грузии в советские времена, гроссмейстеры всегда имели разных шефов, и грузинское гостеприимство за столом

было чем-то таким, о чем сегодня вспоминаешь с удивлением: неужели это был не сон? Virtuозные тосты, фантастическое вино и лучшая в мире кухня (Запад мало знает о существовании грузинской кухни). Так вот, банкеты у Зайчика были исторически, такого гроссмейстера не видели больше нигде.

Гена был исключительно талантливым шахматистом, исключительно образованным, очень легко стал гроссмейстером, но потом больших успехов не достиг. Его высшим достижением было второе место в двух первенствах СССР среди молодых мастеров, победы на сильных международных турнирах в Кечкемете и Залаэгерсеге, медали на Спартакиаде народов СССР в составе сборной Грузии. Гена закончил факультет журналистики в Тбилисском университете. Главным тормозом в жизни Гены стало казино и карточные игры, он повторил судьбу великого Савелия Тартаковера, который все, что имел, — оставил в казино. В карты, особенно в белот, играет бесподобно. Его матчи на турнире молодых мастеров

против другого профессионала Толи Мачульского собирали десятки зрителей.

Водит машину, как на «Формуле-1», и скептический Багиров часто удивлялся, как это Зайчик со своей машиной цел и невредим в Тбилиси.

В середине 90-х Гена решил круто изменить жизнь и победить слабость, уехал в Америку, живет в Филадельфии, играет, тренирует и тоскует по родному Тбилиси.

**Михальчишин — Зайчик**  
Первая лига, Львов, 1987

1.d4 d6 2.c4 e5 3.♘c3.

Здесь у белых выбор, но эндшпиль 3.dxe5 dxe5 4.♙xd8♚xd8 не дает им особых преимуществ, а 3.♘f3 e4 4...f5 приводит к отличной игре черных.

3...exd4 4.♙xd4 ♘c6  
5.♙d2.

Хитрый ход 5.♙e3+ возможен, но я не уверен, что он более силен, чем ход в партии.

5...♘f6 6.b3.

Естественно, что после 5-го хода белых слона надо развивать на b2, но предварительно можно было сыграть и 6.e4.

27...♘d4 28.♖xe3 ♘xc2  
29.♖xe8 ♖xe8 30.d7.

. Здесь правильно было сначала 30.♔f3.

30...♖d8 31.♔f3 f6 32.♘e4  
♔f7 33.f5.

В принципе выигрывало все от 33.g4 до 33.♙c3.

33...c5 34.♙c3.

Опять хорошо 34.g4! или 34.♔e2 ♘b4 35.♙a3.

34...♘d4+ 35.♙xd4 ♖xd7  
36.♘xc5.

Особой разницы нет, можно и 36.♔e3.

36...♙xc5 37.♔e4 h5 38.♖d3  
♖e7+ 39.♔d5 ♙xd4, 1:0, так как все ладейные эндшпили для белых выиграны, например, 40.♖xd4 ♖e5+ 41.♔d6 ♖xf5 42.♔c7 или 40.♔xd4 ♖e5 41.♖f3.
