Чешский гроссмейстер по шахматам, Любомир Кавалек, окрещенный именем великого музыканта, был ошарашен в 2004 году великой победой Магнуса Карлсена, достигнутой лишь через 29 ходов. Тогда ему было 13 лет и он принимал участие в престижном турнире Вейк-ан-Зее (Голландия). Кавалек написал статью в *Washington Post*, в которой назвал Карлсена «шахматным Моцартом». Тогда, это казалось неоправданным...

Гроссмейстер [Любомир Кавалек](#) (родился 9 августа 1943 г.) отмечает важную дату. Давно уйдя из практических шахмат, Любомир остается очень активным автором и корреспондентом. Его колонки в *Huffington Post* и старой *Washington Post* сделали его одним из самых читаемых

шахматных писателей современности.

Кавалек в 1962 г. В юности Любомир подавал надежды и выиграл немало турниров. Он быстро стал одним из ведущих европейских гроссмейстеров, заматерел и вошел в мировую десятку. Кавалек играл в агрессивные, динамичные шахматы. В то же время, он обладал отличным позиционным пониманием и изысканной эндшпильной техникой. Черными он любил выходить в сицилианки и староиндийскую, никогда не боясь осложнений и неожиданностей.

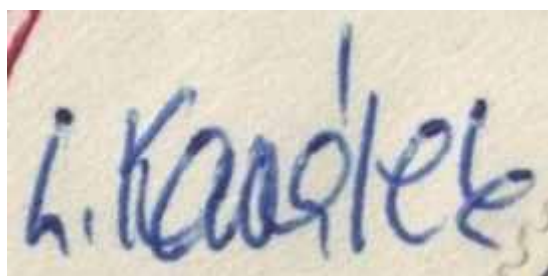

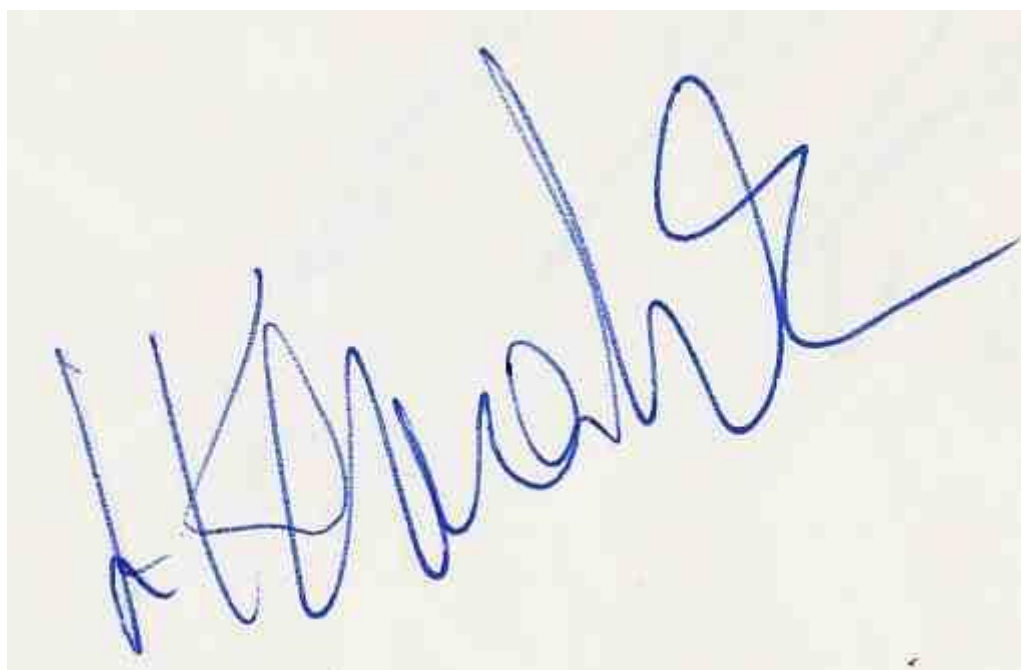

*Манила, 1973. Фишер, Кавалек, Кампоманес. Кавалек был одним из немногих, кому Фишер доверял и на кого мог положиться*
